Daniel 7:9-11 (Complete Jewish Bible)
The Paradox That Demands An Answer

Wouldn’t it be great to know that when you pray for something; good things happen right away? And wouldn’t it be great to know that you could be truly - I mean every single day truly - be on the winning side?

There was a time that I was hit and miss on all of my intercessory prayer attempts and frankly, I was getting discouraged by the constant battle.

That’s when the Holy Spirit graciously opened my eyes to see there was a better way. He taught me about something in the heavenly realms that has radically changed my relationship with God for the better, and has increased my effectiveness dramatically and measurably.

This is what you’ll be learning in this eBook.

Here’s the deal, Jesus has all power and authority in heaven and on earth. (Matt 28:18, Rev 5:1-10) In fact, if you keep reading in Daniel 7, you’ll see that Jesus’s Kingdom is established over all of the kingdoms of the earth.

However, even though He has this power and authority, we still see, on a daily basis, gross injustices happening to innocent and good people all over the world. These injustices range from birth defects and hereditary diseases to human trafficking victims, to abuses of all kinds, to drug addictions, suicides, violence, war, theft, defamation, division, famine, relational estrangement - I could go on and on.

This is a paradox that demands an answer as to why - if He has all power and authority, do these things still happen on the earth? It took me 7 years of research and experimentation to be satisfied with the answer - part of the answer is what you’ll learn in this ebook.
Let’s get right into it...

The Unseen Realm

There is an unseen realm all around us. Beyond the realities of physics and natural order that we can’t see, is a realm that contains forces that are beyond our ability to comprehend and that have influence in every aspect of culture and society among us.

On the good side is the kingdom of heaven that Jesus said is at hand - anything good and beneficial to humanity is within that realm. On the bad side; are organized and focussed evil intended forces and beings. They have been entrenched for thousands of years, and know a whole lot more about how things operate on earth than the average person.

The spiritual structure that these disembodied spirits occupy had originally been given to Adam and Eve. Genesis 3 tells about the event that caused the transfer of the title ownership of this entire spiritual structure which had originally been designed by God for Adam and Eve to govern the created universe. (also mentioned in Colossians 1:13-17) It was meant to produce only life, peace, love, hope, blessing, health, success, with good and beneficial things, but once lucifer took possession of it, it began to produce only wickedness, death, hate, greed, depression, sorrow, pain, deception - and so much more.

Jesus’s death, burial, resurrection and ascension into heaven began the process of getting that structure back into the hands of humanity. He acted for all of us - the legal term is class action. The entire kingdom of Adam is now legally under the control of Jesus, but the eviction of the previous tenants has not yet been completed.
The reason for this is simple; people all over the world are still making
deals and covenants with the devils every day, which continues their legal
ability to remain and manifest in some form on the earth.

If people quit doing this - things would be dramatically different on the
earth. The evil spirits would have no legal rights to remain and their foot
holds would be destroyed. This is because they have no actual authority of
their own. They use derived authority to do what they do. Meaning that
they deceive people into lending them their authority to take footholds and
beachheads in societies and cultures.

This is why the bible warns against all forms of idolatry, witchcraft,
satanic rituals, necromancy, fortune telling, along with any and all
demonically inspired teachings, secret societies, and religions - these are
the traps and snares evil spirits use to get people to lend their authority to
them.

God isn’t an egotistical jerk who demands all the attention. Rather He
knows what he gave to humanity for authority on the earth, and how
powerful it really is. He knows how it works, and He has been trying to
protect people from turning their lives over to something so base and dark.

Whenever people turn to God with all of their hearts only good begins to
happen because of getting back to your original created purpose.

To win at spiritual warfare - you must learn to operate in the spiritual
realms legally.

The bible is one of the only books that deals with this realm with
authority. In Ephesians 6, Paul, one of the Apostles wrote this instruction to
the saints in Ephesus:
Ephesians 6:10-12

10 “Finally, grow powerful in union with the Lord, in union with his mighty strength! 11 Use all the armour and weaponry that God provides, so that you will be able to stand against the deceptive tactics of the Adversary. 12 For we are not struggling against human beings, but against the rulers, authorities and cosmic powers governing this darkness, against the spiritual forces of evil in the heavenly realm.”

He points out that our true struggle is against an organized evil and spiritual structure, not against other people. He mentions how deception is a tactic utilized by this group, and then itemized who they are. Here’s the list:

1. rulers
2. authorities
3. cosmic powers governing darkness
4. spiritual forces of evil in the heavenly realm.

So, how much do we actually know about these guys and their function? Sadly, very little. However, we can see that they are active and working on the earth in every form of evil and darkness that manifests.

These beings are called evil spirits and demons. In Jesus’ ministry, He spent quite some time casting out evil spirits from people - and in some cases, these evil entities were the direct cause of the sickness or mental problems a person was having. (I don’t have time to go through all of those events in the gospels, but if you read through Mathew, Mark, Luke, and John, you’ll find them).
They are obviously organized having rulers and authorities, and governance over darkness. They have a goal of some kind and they know how to distract and divide their enemy - which is all of mankind.

**My Back Story**

In order to understand my discovery, you’ll need some of my backstory for it to make some sense to you.

I received Jesus as my Lord and saviour when I was 20 years old. It was quite supernatural. An angel was sent to me to tell me where to go to be saved. I didn’t see the angel but his voice filled the room, my head and heart, and he called me by name and told me to get into my truck and drive. When I started driving I was trans-relocated (me AND my truck - John 6:21) to the location I needed to be, and within the next couple of hours I was asking Jesus into my heart.

I was baptized in the Holy Spirit about a month later and spoke with tongues. Then 2 months after that, I was baptized in water. That is when my life was transformed. It was like someone poured gasoline over me and lit a match. I was on fire for Jesus.

I could not get enough of the bible. I spent 8 to 18 hours a day studying, praying, listening to teaching, and talking about the things of God. It was a joyful and wonderful time of discovery. I became a bonafide, card carrying bible nerd. I love the Word of God and live by it as best as I know how.

It was so exciting. Everyday was a new discovery of truth. Everyday was a new experience of the love and goodness of God. Everyday was also a struggle against some unseen forces that I could feel pushing against me to try and keep me from growing in the knowledge of Jesus.
I was aware of the realm of darkness because of being involved in occult activity when I was a teenager. I knew there were evil spirits already as I had encountered them before I was a follower of Jesus. What I didn’t know was how to deal with that stuff, so I bought some books and read them, and listened to some teaching on the authority of the Name of Jesus and spiritual warfare.

I won’t go into everything I had learned in that time, but some of it was pretty good. It showed me that I, as a son of God had the right to use the Name of Jesus to heal the sick, cast out devils and preach the gospel of Jesus with power. (Mark 16:17-20, John 14:12, Matt 10:7-8, Acts 3:16) That His Name was all powerful and that evil spirits would have to respond to the name of Jesus. (Luke 10:18-19, Matt 28:18) I experienced this in action many times.

I discovered I could have a personal friendship with the Holy Spirit, because when you see Holy Spirit you see Jesus. His job is to reveal everything Jesus has given to us. (see John 16:7-15 and 1 Corinthians 2:10-12)

I also learned about angels and how they are partners in the kingdom together with people to bring about the kingdom of God on the earth. (Heb 1:14, Ps 91) How there are many classes of angels and each class has a different function that ranges from worship to warfare.

Then there was the part about the authority of mankind, in that God would not do anything on the earth unless he did it in agreement with a person on the earth. The contrast with what I said earlier about the kingdom of darkness not having any of their own authority and using derived authority vs what God does is this: God has actual authority over all
things and is the Author and Creator of all things. He has already delegated
the rulership the universe to mankind and He won’t take it back. So by His
choice He partners with people to accomplish what is best for humanity. He
will always act through the trust and actions of people.

This is called trust or faith. Hebrews 11:6 says:

*And without trusting, it is impossible to be well pleasing to God,
because whoever approaches him must trust that he does exist and that
he becomes a Rewarder to those who seek him out.*

Everything that God does He does in response to faith or trust. Trust is
something that originates in Him, (Rom 10:17) and as He trusts us, we
learn to trust Him, ourselves and others.

These were some of the keys of what I learned. All of them are good and
work extremely well.

But, some of my experience was different. At times, I struggled with sin
in my life, and when I tried to help some people with certain kinds of
problems, I couldn’t help them at all, even though I was using the name of
Jesus, trusting God and cooperating with the Holy Spirit to the best of my
ability.

At the same time I was seeing miracles - real ones - of biblical
proportions - but I knew there was more to learn that would help me to be
more effective.

**How I Learned Spiritual Warfare The Wrong Way**

Then a few years into my walk with Jesus, I got into a group of folks who
believed in intercession and spiritual warfare. This is when I learned
spiritual warfare tactics that were wrong, and regrettably, the majority of folks into intercession and spiritual warfare today still read the same books and follow the same path.

We would pray for hours, and in that time I would “see and hear” many things in the “spirit” that confused me.

For instance, I would begin to pray against what I perceived as an evil spirit influence on an issue or situation, and I would “hear” in my thoughts things like, “You can’t do that. You don’t have the authority to do that!” To which I would quote a long list of scriptures to “fight with” by saying - like Jesus - “It is written...” (Matthew and Luke 4). For some reason I thought the can of spiritual “whoop-ass” I was serving up should be done hot and loud - so I would often be yelling these things.

Sometimes something would happen, and it would encourage me to keep using this tactic, but more often, nothing would happen, and I would be confused about the things said about me not having authority to do these things.

I knew the bible said that I had all authority over the power of the enemy...

17 The seventy came back jubilant. “Lord,” they said, “with your power, even the demons submit to us!” 18 Yeshua said to them, “I saw Satan fall like lightning from heaven. 19 Remember, I have given you authority; so you can trample down snakes and scorpions, indeed, all the Enemy’s forces; and you will remain completely unharmed. 20 Nevertheless, don’t
be glad that the spirits submit to you; be glad that your names have been recorded in heaven.”

...but I couldn’t seem to get this passage working for me like I knew it could work.

So in this time I would bind the devil every day and I would rebuke him many times a day. I remember asking myself one day, “If I’m binding the devil everyday - when is he bound? If I am rebuking the devil everyday - when is he rebuked? Why do I feel the need to continue doing this every single day?”

Frankly the answer to that question didn’t arrive for a couple of years. Not completely sure why, but it didn’t stop me from following that same pattern of spiritual warfare.

Then other groups started to do spiritual mapping and digging into the historical backgrounds of areas in the hope of finding what the ruling spirit over an area might be, so that warfare could be waged against that thing. It seemed that they knew way more about what the devil was doing than what God was doing.

Then I would notice that whenever this kind of warfare was conducted, there would be a terrible backlash and all hell would break loose in a prayer group or church. It was serious stuff too! People got sick, people died, marriages and ministries were destroyed - I could go on. Again, I was confused. If we have all authority in the name of Jesus - how could stuff like this happen?

It was almost a badge of honour to have backlash. People would say, and maybe you have said this yourself, “I must really be doing something right -
look at all this proverbial “crap hitting the fan” in my life right now. Devil must be mad!”

You’re not doing something right - you’re doing something wrong - and that’s exactly why you have that kind of chaos going on in your life.

**How To Do Spiritual Warfare The Right Way**

In 2006, I was in the custom of doing a certain style of spiritual warfare prayer I call the Carlos Anacondia Prayer. Carlos is a famous Argentinian Evangelist that stepped out in faith and brought revival to his country. His signature prayer was this one: “Now, you listen to me satan...” and then he would proceed to break the power of the devil and have great results. Demons would begin screaming out, sicknesses would get healed, lost souls would be saved.

He got great results around the world utilizing this prayer. I thought, “If it worked for him it should work for me too!” And so, when I would pray, at some point in my praying time, I would go into that mode of prayer.

One August night, on a lake, I began to pray that way again. No sooner had I said, “Now, you listen to me satan...” when the Holy Spirit stood in front of me and said, “You know Greg, He’s been at this a lot longer than you have. You need some help.”

Instantly I found myself in a heavenly place, in like an open vision - but not a vision - it seemed way too real to be a vision. In that place I saw a throne, and someone on the throne was hearing cases of people who were before the throne. Each one was given a scroll which they took back into their lives and I could see the effect of that ruling in their lives - like a video sequence in a movie.
I got excited and stepped in front of the throne myself to ask for justice for something that had happened to me 20 years earlier. It was related to ministry and church and I felt I had a grave injustice perpetuated against me at that time. As I made my petition, I was given a ruling in the form of a scroll. So just like I saw the others take the scroll back into their lives, I did the same thing and suddenly was back in the prayer area I was in. Wow, what an effect that ruling had. My entire heart felt relief and satisfaction that what I had suffered was being properly dealt with.

My next thought was to go back for more. So, as I began the process of returning, the Holy Spirit stopped me by warning me in this way, “Stop! You don’t know what you are doing and are about to get into a lot of trouble. Let me take your case!” The fear of God filled my heart in that moment and I was more than willing to let Him proceed.

I won’t get into all of the details of what he told me, and how what happened changed my life as a result of that first court session, but you can see the video of my testimony about this on YouTube at this link: https://youtu.be/Wso2CyAiXEA. It’s part of our online video course called Justice and the Courts of Heaven. Click here to learn more about it

During the next seven years I researched the scriptures, experimented with discoveries in the Word of God, and learned all about justice from a heavenly perspective. Frankly, I was shocked to find the theme of justice and a court system all over the bible starting in Genesis 3 all the way to Revelation 20. It was like finding a treasure hidden in plain sight.

Then in 2013, we - my wife and I, began to teach publicly what we had learned privately over those seven years.
The Initial Lessons On The Courts of Heaven

While studying Daniel 7 one day, the Holy Spirit began to teach me about the power of the court in relation to spiritual warfare.

Here’s Daniel 7:9-11 again:

9 “As I watched, thrones were set in place;
and the Ancient One took his seat.

His clothing was white as snow,
the hair on his head was like pure wool.

His throne was fiery flames,
with wheels of burning fire.

10 A stream of fire flowed from his presence;
thousands and thousands ministered to him,

millions and millions stood before him.

Then the court was convened, and the books were opened.

11 “I kept watching. Then, because of the arrogant words which the horn was speaking, I watched as the animal was killed; its body was destroyed; and it was given over to be burned up completely. 12 As for the other animals, their rulership was taken away; but their lives were prolonged for a time and a season.

Daniel 7:9-11 (Complete Jewish Bible)

I absolutely love this passage of scripture. It reveals a heavenly realm that still exists and is functioning as much today as it was in the days of Daniel.
Let’s break it down.

Daniel starts describing this by saying **thrones** - plural - were set in place. *(I discovered that anywhere the bible mentions a throne, there is a court in session.)* This means the thrones were not in this place prior to them being SET in place. This indicates that it is a mobile court of some kind, and there were more than one magistrate in attendance of the court proceedings.

In ancient times, the elders and judges of a community would set their “seats” or thrones in the city gates, and in that place they would deal with community business and the settling of disputes among the people.

The thrones are now set in place, and the Ancient One takes HIS SEAT. I love the poetic imagery of this - the Ancient One. Another translation uses Ancient of Days to describe Him. This is none other than the Lord Almighty, the King of the Universe.

Daniel then describes what He looked like: Clothing white as snow, and hair white like wool, speaks of purity and without guile. Pure holiness and justice. Then the throne gets it’s own description of being on fire - even having wheels, which supports the idea of the throne being mobile.

Then this - a stream of FIRE flowing from His Presence. This is the glory of the Ancient One that creatively purifies all that it touches. It’s also functions as the fiery judgment of God against His enemies, with the same fire bringing blessing and favour to His saints.

The Ancient One was not alone as thousands and thousands ministered to Him - meaning they were agents of the court at the ready to assist and carry out the actions of the court.
Then finally, millions upon millions were in attendance. These are the witnesses, or could be the people who were under the oppression of the unseen realm, and God was going to free them.

Then the pièce de résistance: Then the court was convened, and the books were opened. All of the pomp up to this point was for this reason - court needed to go into session.

The books mentioned are most likely the Book of Life - related to each person in the court, perhaps the Book of National Purposes - related to the evil empire entities (say that 3 times really fast...lol) and perhaps the Book of the Purposes of God. Whatever these books were, they were the basis of the judgement that was about to be released through this court.

What happened next in this passage was what the Holy Spirit used to teach me about how to conduct spiritual warfare. Remember, my first encounter with the Court of Heaven was because He told me I needed help to be effective in spiritual warfare.

Here it is:

11 “I kept watching. Then, because of the arrogant words which the horn was speaking, I watched as the animal was killed; its body was destroyed; and it was given over to be burned up completely. 12 As for the other animals, their rulership was taken away; but their lives were prolonged for a time and a season.

To recap, here’s the sequence of events.

1. Thrones are set in place

2. The Ancient One takes His seat and releases Glory as fire
3. Everyone involved shows up
4. The court goes into session and books are opened
5. The court judges the evil empires and they are destroyed in the judgements. Check out the bolded sections of verse 11.

Nothing happened **UNTIL THE COURT WENT INTO SESSION.** Once the court went into session and the ruling was given, then the enemy was defeated RIGHT AWAY! Immediately. Pronto. Instantaneously. Now!

There was no wailing and yelling at the devil to make him comply, just a court ruling that made it impossible for him do anything but comply with the ruling. If you will notice, there was no backlash to Daniel regarding the vision, though it did alarm him somewhat - which most real heavenly encounters will do to you.

Two more times is Daniel 7 it refers to the court ruling in the favour of His people:

21 “I watched, and that horn made war with the holy ones and was winning, 22 until the Ancient One came, judgment was given in favour of the holy ones of the Most High, and the time came for the holy ones to take over the kingdom.”

and

26 “But **when the court goes into session,** he will be **stripped of his rulership,** which will be consumed and completely destroyed.”

It takes the court going into session to effectively deal with the evil in the spiritual realm. This was the lesson from the Holy Spirit to me, and my introduction to the Courts of Heaven.
So here’s a picture to help illustrate how warfare has been commonly, and incorrectly practised, and then one about how it should be done:

We’ve been taught to engage the enemy in spiritual battle by attacking from a position on the earth and sort of “praying up into” the place so called the 2nd heaven *(it really isn’t a second heaven but people call it that. I talk about what it actually is in one of the sessions of our course)*. Our prayers were to consist of scriptures, “binding and loosing”, declaring, prophesying etc - all of it directed into that spiritual world battle zone where the evil darkness is set up.

I’m over simplifying, but if you have ever done spiritual warfare you do understand. And don’t get me wrong, there is a real enemy of mankind that exists and it needs to be resisted, but this is not the way to do it.

Here’s what I learned from the Holy Spirit about how to do battle in the spiritual world based on Daniel 7:
This is the way to do it.

Look at this verse from Isaiah 54:17 (CJB)

“No weapon made will prevail against you.

*In court you will refute every accusation.*

The servants of *Adonai* inherit all this;

the reward for their righteousness is from me,”

**Accusations AND Defence Happen In Court**

I underlined and bolded the line I wanted you to see. In court you refute every accusation. The enemy uses legal proceedings in the heavenly realms to bring accusations against the saints, day and night, before God. Check out Revelations 12:10...
“Then I heard a loud voice in heaven saying,

“Now have come God’s victory, power and kingship, 

and the authority of his Messiah;

because the Accuser of our brothers, 

who accuses them day and night before God, 

has been thrown out!””

According to this verse accusations could be getting registered against you day and night, however Isa 54:17 says that you are to deal with those accusations in court as part of the “no weapon formed against you” prospering.

Look at 1 Peter 5:8

8 “Stay sober, stay alert! Your enemy, the Adversary, stalks about like a roaring lion looking for someone to devour.”

In the footnotes of The Passion Translation, the author gives this insight into the word ENEMY/ADVERSARY used in the verse:

“The Greek word antidikos is a legal term for one who presses a lawsuit that must be defended.”

The Greek Lexicon states this meaning:

an opponent in a suit of law

You could have accusations - lawsuits - happening against you in a heavenly court system at this very minute - but do you know how to defend yourself?
And what if you don’t show up to court?

What do you think the judge will do?

Do you even know?

Do you know where the court is that you need to go to?

Do you know how to get there?

Do you realize how important this information is to you and your family?

The reality is the majority of people alive today do not know this place even exists let alone go there and do something! The enemy relies on your ignorance of what is legally available to you to defeat you. You need to know about this. You need to know the scriptures and how to get there, and what to do when you get there.

When your enemy the “adversary - antidikos” attacks - you must defend yourself, but the defending happens in a heavenly court. It’s the only way to deal with the “devouring” of the “roaring lion” of the adversary. You need a ruling in your favour from the court of heaven, just like it is mentioned in Daniel 7:21-22 and Luke 18:1-10.

Luke 18:1-10 Jesus used a story of a judge and a widow woman to illustrate a way to win battles legally to deal with oppression...

The story goes like this (my paraphrase).

The widow woman had a man trying to ruin her life. This man was making her life miserable, most likely by trying to steal her property and inheritance left by her deceased husband. Even though that property was legally hers, it didn't stop this man from trying to take it.
Her action in the court was what saved her. She went before this judge to get a ruling to stop the man who was trying to ruin her. She knew that a ruling from the judge would end the actions of that man, because of the power within a ruling from the court.

The judge in this story was ungodly. But that didn't matter. When he gave this woman a ruling in her favour, it ended her suffering and dealt harshly with the man trying to ruin her. With the ruling of the court in her favour, she now had the full force of the government to support her.

Then Jesus said this:

Luke 18:7-8

7 Now won’t God grant justice to his chosen people who cry out to him day and night? Is he delaying long over them? 8 I tell you that he will judge in their favor, and quickly! But when the Son of Man comes, will he find this trust on the earth at all?”

This statement implies that we will need to continually petition God for justice. Not because He is unwilling to provide justice, but that He wants to rule in our favour and rid our lives, and the lives of those around us of injustices. In addition, it appears that the trust that the Son of Man will be looking for is trust in the justice of God.

**Win The Battle Legally**

The point is this: The battle is won legally.

The battle **IS** a legal battle.

When you do spiritual warfare via the courts of heaven, you win every time- with zero backlash.
This is why we created the online course Justice and the Courts of Heaven: To help good people to be better at what they feel passionate about, winning battles to set people free. If you want more info you can get it here: JCH Online Course

I’ve been in prayer meetings where people are swinging swords, blowing shofars, waving flags, binding/loosing, declaring, screaming etc, and have done some of that myself, but the net effect was - not much happened.

We could NOT quantify and say with confidence that what we did in that prayer meeting had any measurable effect on anything that we were dealing with by praying that way. It’s frustrating and frankly, depressing. This is one of the reasons a lot of intercessors struggle with depression.

So in order to be effective in spiritual warfare you need to know about and access the heavenly courts to obtain the rulings and judgements of that court, and then use those judgements to fight against the enemy in the spiritual world.

The Courts Of Heaven Produce Real Results

Does it work?

A Big Yes!

Little Boy Healed Of Autism

One of our students obtained justice through the courts of heaven for a little boy who had been abused and was severely autistic. After she prayed the boy was instantly and miraculously healed - his doctor verified it.
**Breast Grows Back**

Another one of our students obtained justice for a friend who had lost a breast to cancer. When he was in the heavenly court he looked at the ruling and it had the woman’s name written on it and that she was healed. Within 2 weeks her breast grew back.

**Drug Dealers Busted By Police**

On a local level, there had been a drug overdose in a part of my city, and for some reason it really affected me. I went into court for justice for the family of this girl, for the community and for our city, and asked God to judge the dealers and manufacturers of the drugs. Within 2 weeks, the police announced they had dismantled an entire drug ring that was connected to that girl’s death and 68 people were arrested.

**National Law Changed**

On an national level, one of our live classes went into the courts of heaven on behalf of the judges of our nation and on behalf of children across our nation. We collectively asked for rulings related to family justice, safety for children, etc. Within a week, the chief justice of the Supreme Court put a committee together to revamp family law - to move it from an adversarial to a mediatorial approach. The article was on the front page of a national newspaper.

We have testimonies of court cases being resolved, money owed - paid right away, family conflicts resolved, relationships restored, addictions broken, sicknesses healed, and so many more.

This works better than any kind of spiritual warfare praying I had ever conducted in the past.
It can work for you too.

**Biblical Examples Of Justice And Battles**

It’s one thing to flash a few scriptures and share a few testimonies, and quite another to show where this process has been in place since the beginning of time. I’m going to attempt to show you biblical proof of where in the history of mankind the use of judgements, justice, judges and courts have been connected to great battles that were won by the Lord.

The first one we’ll look at is in the book of Judges. This is a bit of a lengthy passage but I need to include the entire passage for context. I have bolded the passages that I want you to pay attention to:

Judges 2:10-18

10 When that entire generation had been gathered to their ancestors, another generation arose that knew **neither Adonai nor the work he had done for Isra’el.** 11 Then the people of Isra’el did what was **evil from Adonai’s perspective** and served the ba‘alim. 12 They abandoned Adonai, the God of their fathers, who had brought them out of the land of Egypt, and followed other gods, selected from the gods of the peoples around them, and worshipped them; this made Adonai angry. 13 **They abandoned Adonai and served Ba‘al and the ‘ashtarot.** 14 The anger of Adonai blazed against Isra’el; and he handed them over to pillagers, who plundered them, and to their enemies around them; so that they could no longer resist their enemies. 15 Whenever they launched an attack, the power of Adonai was against them, so that things turned out badly — just as Adonai had said would happen and had sworn to them. **They were in dire distress.**
16 But then Adonai raised up judges, who rescued them from the power of those who were plundering them. 17 Yet they did not pay attention to their judges, but made whores of themselves to other gods and worshipped them; they quickly turned away from the path on which their ancestors had walked, the way of obeying Adonai’s mitzvot — they failed to do this. 18 When Adonai raised up judges for them, Adonai was with the judge and delivered them from the hands of their enemies throughout the lifetime of the judge; for Adonai was moved to pity by their groaning under those oppressing and crushing them.

Read the entire second chapter of Judges. It starts with the Angel of the Lord rebuking the entire nation for not doing what the Lord had commanded them to do in driving out the nations in the land. Then it tracks the story forward in history about 120 years once each generation of those who were brought into the promised land were now dead.

**God Raised Up Judges**

Then, a generation arose that didn’t know God nor His works. The entire nation turned away from God and served the idols and demons of the nations they failed to drive out from the land. This brought the nation of Israel into a state of dire distress. Now pay close attention to what God did:

He raised up judges.

He didn’t raise up a king.

He raised up judges.

Here’s why. There is a principle in scripture called the Shadow of the Lord. I won’t go fully into it here for times sake, but it has to do with the
making of a heavenly reality on earth as it is in heaven. Moses was told to build the tabernacle exactly like what he was shown in the mountain. When He did, the glory of the Lord manifested on the tabernacle. The tabernacle on earth became like what it is in heaven.

Or Jesus being the Word made flesh and dwelling among us - and the glory and Spirit of God resting upon Him. *(There's much more to this and is not the focus of this ebook, but you can get a full explanation of it in one of the sessions of our course: JCH Online Course)*

What this means to the issue of courts and judges is this: judges are Gods idea and the way that He would rule a nation. He calls Himself a Judge of everyone *(Heb 12:22)*. When Judges function according to God’s plan on earth, then the heavenly reality of what they represent has an opportunity to manifest and bring blessing to all who are in contact with it.

Judges and courts are a design from heaven. It is the place where justice is delivered. We have an imperfect system on earth. That’s why I encourage people every chance I get to pray for the judges in the land, as they are God’s representatives for justice. If they are just - blessing can be released. If they are corrupt - then curses are released. The more we pray for the best judges to be appointed, the more good judges will be appointed. I’ve witnessed this first hand in my province.

Judges 2:16 says:

16 But then Adonai raised up judges, who rescued them from the power of those who were plundering them.

The way that God dealt with His people being plundered was through judges. They would judge the people of Israel first, then go to battle. In this
way the nation of Israel was delivered from their enemies, until they went back to their idol worship. Then God had to do it again. And again. And again.

**Otniel**

In Judges 3 the bible begins to detail some of the exploits of the judges.

**Judges 3:9-11**

9 But when the people of Isra‘el cried out to Adonai, Adonai raised up a savior for the people of Isra‘el; and he rescued them; this was ‘Otni’el, the son of Kalev’s younger brother K’naz. 10 **The spirit of Adonai came upon him, and he judged Isra‘el. Then he went out to war,** and Adonai gave Kushan-Rish‘atayim king of Aram into his hands; his power prevailed against Kushan-Rish‘atayim. 11 So the land had rest for forty years, until ‘Otni’el the son of K’naz died.

See the pattern:

1. Spirit of the Lord came upon him
2. He judged Israel
3. Then he went to war.

This is one of the patterns of spiritual warfare in the bible. It is done through the courts via a judgement of some kind. When they followed this pattern they had peace.

In Judges 4 the bible introduces Deborah, one of the great judges of Israel.
D’vorah

Judges 4:4

4 Now D’vorah, a woman and a prophet, the wife of Lapidot, was judging Isra’el at that time. 5 She used to sit under D’vorah’s Palm between Ramah and Beit-El, in the hills of Efrayim; and the people of Isra’el would come to her for judgment.

You can read the rest of the story in Judges, but Deborah delivered the nation by her justice and faith in God. She was a prophet AND a judge. She judged first, then they went to battle.

Samuel

Another supernatural deliverance that happened for Israel was in the days of Samuel the prophet.

Again, I have hi lighted the areas I want to emphasize.

1 Samuel 7:5-14

5 Sh’mu’el said, “Gather all Isra’el to Mitzpah, and I will pray for you to Adonai.” 6 So they gathered together at Mitzpah, drew water and poured it out before Adonai, fasted that day, and said there, “We have sinned against Adonai.” Sh’mu’el began serving as judge over the people of Isra’el at Mitzpah.

7 When the P’lishtim heard that the people of Isra’el had gathered together at Mitzpah, the leaders of the P’lishtim marched up against Isra’el; and when the people of Isra’el heard about this, they were afraid of the P’lishtim. 8 The people of Isra’el said to Sh’mu’el, “Don’t stop crying out to Adonai our God for us, to save us from the power of the P’lishtim.”
9 Sh’mu’el took a baby lamb and offered it as a whole burnt offering to Adonai. Then Sh’mu’el cried to Adonai for Isra’el, and Adonai answered him. 10 As Sh’mu’el was presenting the burnt offering, the P’lishtim advanced to attack Isra’el. But this time, Adonai thundered violently over the P’lishtim, throwing them into such confusion that they were struck down before Isra’el. 11 The men of Isra’el went out from Mitzpah, pursuing the P’lishtim and attacking them all the way to Beit-Kar.

12 Sh’mu’el took a stone, placed it between Mitzpah and Shen, and gave it the name Even-‘Ezer [stone of help], explaining, “Adonai has helped us until now.” 13 Thus the P’lishtim were humbled, so that they no longer entered Isra’el’s territory; and the hand of Adonai was against the P’lishtim as long as Sh’mu’el lived. 14 The cities between ‘Ekron and Gat which the P’lishtim had captured from Isra’el were restored to Isra’el, and Isra’el rescued all this territory from the power of the P’lishtim. There was also peace between Isra’el and the Emori.

Here’s what I want you to pay attention to:

1. The nation of Israel had decided to turn back to God with their whole heart. Samuel had made that a condition of him becoming a judge for them.

2. He gathered them at MITZPAH - this means a pillar of covenant. It’s first mention in scripture was when Jacob made a covenant with Laban and the pillar was named Mitzvah - with the words - The Lord is witness of our covenant.

3. Samuel judges the nation
4. Samuel cries out to the Lord when he sees the enemy attacking.
5. The Lord fights the battle and the enemy is defeated supernaturally.
6. The enemy has to return territory that they had plundered
7. Even their other enemies lived at peace with them.

What is being demonstrated is the relationship between judges and successful battle. Spiritual warfare must be conducted this way - legally first.

**Y’hoshafat**
Now this story is one of my favourites

Y’hoshafat was a good king who followed God with his whole heart, for the most part. He had some slip ups but that’s for another story. In 2 Chronicles 19, he makes it his life’s work to bring the nation back to God and to appoint judges in the land.

This is key to understand how this king thought. He knew that having righteous judges in the land would enable the voice of God to be accessible in the everyday affairs of the communities the judges presided over. If the judges feared God, then God would help them make the appropriate decisions in each case. Y’hosahafat valued justice. I believe he did this because he knew it pleased God.

2 Chronicles 20 begins with a real problem. It seemed that even though the entire nation was returning to God, their enemies were getting ready to attack them.

2 Chronicles 20:1-4
Some time later, the people of Mo‘av and the people of ‘Amon with other ‘Amonim came up to fight Y’hoshafat. 2 Y’hoshafat was told, “A huge army from beyond the [Dead] Sea, from Aram, is on its way to fight you; right now they are in Hatzatzon-Tamar” (that is, ‘Ein-Gedi). 3 Y’hoshafat was frightened, so he determined to seek Adonai. He proclaimed a fast throughout all Y’hudah, 4 and Y’hudah assembled to seek help from Adonai; they came from all the cities of Y’hudah to seek Adonai.

The people did the right thing. They were alarmed that their enemies were gathering to attack and took measures to do something about it. Because the enemy armies were too great, they knew their only hope was to get help from the Lord Himself.

I’m not going to insert all of the prayer he prayed that day, but here is the part that has the only question that he asked of the Lord that day.

2 Chronicles 20:10-12

10 “So now, see: the people of ‘Amon, Mo‘av and Mount Se‘ir, whom you would not let Isra‘el invade when they came out of the land of Egypt, so that they turned away from them and did not destroy them, 11 are now repaying us [evil]; they have come to throw us out of your possession, which you gave us as an inheritance. 12 Our God! Won’t you execute judgment against them? For we haven’t strength enough to defeat this huge horde coming against us, and we don’t know what to do, but our eyes are on you.”

The ONLY question in his prayer was WON’T YOU EXECUTE JUDGEMENT AGAINST THEM?

Wow!
He knew God was judge and that God would rule in His favour against his enemies. But he asked for something very powerful that we teach in depth in our course - he asked for the judgement to be executed. That function morphed in the new testament and now, as the body of Christ on the earth, and as the function of the right hand of God (the right hand of God is a function not a position or place), execute judgements. There’s just too much background information needed to deal with it within a short ebook.

Back to the story.

The enemy gathers to attack, the nation gathers to pray, the king asks that God would execute judgements against their enemies.

What happens next is pure adventure of biblical proportions.

As they are praying and looking to God for direction, the Spirit of the Lord inspires a prophet in their assembly to give a very detailed prophecy of where to find the enemy, what to do when they found them, and ends with a “kicking butt and taking names” statement from heaven,

2 Chron 20:17

17 You won’t even need to fight this battle! Just take your positions, Y’hudah and Yerushalayim, stand still, and watch how Adonai will deliver you! Don’t be afraid or distressed; tomorrow, go out against them; for Adonai is with you.”

At this point the worship team broke out in praise at the top of their voices and the entire assembly was encouraged by the word of the Lord. Here’s what happened next:
2 Chron 20:20-21

20 The next morning, they rose early and went out into the T’koa Desert. As they left, Y’hoshafat stood and said, “Listen to me, Y’hudah and you inhabitants of Yerushalayim!

“Trust in Adonai your God,
and you will be safe.

Trust in his prophets,
and you will succeed.”

21 After consulting with the people, he appointed those who would sing to Adonai and praise the splendor of his holiness as they went out ahead of the army, saying, “Give thanks to Adonai, for his grace continues forever.”

The wisdom Y’hoshafat carried was remarkable. He continued to encourage the people to not only trust God but to trust the prophets who were the spokespersons for God. Meaning - trust not only in the Lord but trust His Word and succeed.

Perhaps the most unusual warfare tactic ever used was conducted in this battle set up. Y’hoshafat asks the people about appointing a choir to lead into battle. They all thought it was a good idea, in light of the Word of the Lord to them related to how God was going to fight their battle, and all they would need to do is stand still and see what God would do.

So the musicians are singing to the Lord as they go to the place the enemy is, and here’s what happened to their enemy:
2 Chronicles 20:22-26

22 Then, during the time when they were singing and praising, Adonai brought a surprise attack against the people of ‘Amon, Mo’av and Mount Se’ir who had come to fight Y’hudah; and they were defeated. 23 What happened was that the people of ‘Amon and Mo’av began attacking those people who lived by Mount Se’ir, to kill and destroy them completely; and when they had finished off the people from Se’ir, they set to work slaughtering one another. 24 So when Y’hudah reached the watchtower overlooking the desert, they looked toward the horde; and there in front of them were corpses fallen to the ground; none had escaped. 25 Y’hoshafat and his army came to take the spoil from them and found among them personal property in abundance and corpses with precious jewels, which they stripped off for themselves until they couldn’t carry any more. They took three days just to collect the spoil, there was so much. 26 On the fourth day, they assembled in the Valley of B’rakhah [blessing], where they blessed Adonai; hence that place is called the Valley of B’rakhah to this day.

For years I had heard various messages, and even preached a few myself, using this passage to demonstrate the value of praise and worship. The focus has always been on how when they began to sing to the Lord the enemy was defeated.

Without question, praise is a powerful weapon to bring light into dark places. But what never gets talked about is how Y’hoshafat asked God to execute judgement against his enemies.

That was the secret sauce to this entire miracle.
This Battle Was Won Legally First.

They had a ruling from the court in the form of the prophecy that was delivered. It outlined what was going to happen in the favour of Y’hoshafat and Y’hudah. Once they had the ruling, the praise began. The praise was the response to the Word of the Lord which in this case was the actual ruling from heaven in answer to the question of executing judgement on their enemies.

Can you now see how justice and spiritual warfare are intricately connected?

I have one more for you and it is Jesus.

In our course we have 2 sessions on the various courts that are in the bible, where to find them, and what their function is. One of those courts is found in Revelation 4.

I mentioned earlier that as I researched the bible to understand what the Holy Spirit had shown me, I found that wherever a throne was mentioned in a vision (theophany for us bible nerds) it was the location of a court. This holds especially true of Revelation 4-6

I’m not going to go into all of the details around the passage - (enrol in the course lol), but I will focus on one aspect that shows how Jesus was involved in a heavenly court ruling and execution.

Revelation 4:1-3

After these things, I looked; and there before me was a door standing open in heaven; and the voice like a trumpet which I had heard speaking with me before said, “Come up here, and I will show you what must happen after these things.” 2 Instantly I was in the Spirit, and there
before me in heaven stood a throne, and on the throne Someone was sitting.

In our course we teach how to see in the spirit and get your self positioned to be invited by the Spirit of God into these heavenly places that still exist and are available to every person alive. I say that to underline that this heavenly court is in a heavenly place. If you are not used to seeing spiritually you’re missing out on so much adventure and knowledge of God.

John was in a vision and saw a door open in heaven. That means there are doors in heavenly places that are transition points for human beings. John saw one of these doors. He was invited into that realm with these words, “Come up here, and I will show you what must happen…” Up is better than down. He was invited into a higher realm than the one he was currently existing within. Its more of a dimension shift than a going up into the sky. As soon as he responded to the invitation he was in the spirit.

**The Throne Is The Focus**

“...and there before me stood a throne...”

Notice in the next section of this passage in scripture, that what is being described by John, is being described in relation to the throne, starting with the One Who is seated on the the Throne. Even though He is the Lord Almighty, in this vision, He is not the subject of the vision - the throne is along with the effect of the throne on what is happening. I’ve bolded the references to the throne.

Revelation 4:2b-8

...and on the throne Someone was sitting.
3 The One sitting there gleamed like diamonds and rubies, and a rainbow shining like emerald **encircled the throne**.

4 **Surrounding the throne** were twenty-four other thrones, and on the thrones sat twenty-four elders dressed in white clothing and wearing gold crowns on their heads. 5 **From the throne** came forth lightnings, voices and thunderings; and **before the throne** were seven flaming torches, which are the sevenfold Spirit of God. 6 **In front of the throne** was what looked like a sea of glass, clear as crystal.

**In the center, around the throne**, were four living beings covered with eyes in front and behind. 7 The first living being was like a lion, the second living being was like an ox, the third living being had a face that looked human, and the fourth living being was like a flying eagle.[a] 8 Each of the four living beings had six wings[b] and was covered with eyes inside and out; and day and night they never stop saying,

“All holy, holy, holy is Adonai, God of heaven’s armies[c]
the One who was, who is and who is coming!”

I’m not going to go into detail of what each element means, it’s in the course in the sessions on the various courts. All of it matters and is vitally important to understand, and some of it is not what you might think.

Now look at how many times the throne is mentioned.

1. **on the throne**
2. **encircled the throne**
3. **surrounding the throne**
4. from the throne
5. before the throne
6. in front of the throne
7. in the centre around the throne

Seven times the throne is mentioned.

Seven in Hebrew is zayin. It has several meanings such as straight light from God to Man, or returning light. It can also mean sword and nourishment at the same time. It’s used as a time divider as in 7 days in a week, $7 \times 7 = 49$ for sha’vuot etc. One postulation is that is it Jesus the crowned Man because of what zayin looks like as an aleph-biet character. Some have said it is the number of perfection or completion. It is mentioned 860 times in the bible.

If we combine the meanings of zayin, like assembling a puzzle, you could say this:

...that the justice of the throne of God returns His light to man directly, and each ruling contains the sword of judgement against the enemy, and the nourishment of favour in the same ruling.

I have to say - that’s a pretty good thing to have happen as a definition of the number 7.

This place is the Supreme Court of Heaven. It is the epicentre of the justice of God. Each reference to the throne, the beings, colours, and elements have function and meaning. In fact their function ascribes their meaning.
This court has been in session because of what happens in verse 1 of chapter 5.

Revelation 5:1-2

Next I saw in the right hand of the One sitting on the throne a scroll with writing on both sides and sealed with seven seals; and I saw a mighty angel proclaiming in a loud voice, “Who is worthy to open the scroll and break its seals?

The One sitting on the throne has a scroll in his right hand. The scroll is the ruling of the Supreme Court of Heaven. The Father is holding it in His right hand for a reason. I mentioned earlier in a parenthetical statement earlier that the right hand of God is a function not a position or place.

If you know your bible you will know that we are raised up to sit with Jesus in the heavenly places, at the right hand of God. The problem is this - there is only one throne. There are not 2 thrones side by side mentioned in the bible - meaning the Father has a throne, then Jesus has His throne at the right hand of the Father’s throne. It does mention that Jesus and the Father are in the same throne.

The only way to understand this is by looking at it the way a Hebrew would. By Function not form. (Session 1 I teach all about the difference between Greek and Hebrew thinking and how we have been trained to think like a Greek instead of a Hebrew)

The right hand of God is a function.

In Revelation 5, Jesus is found to be worthy to open the scroll and read its contents.
Revelation 5:7

7 He came and took the scroll out of the right hand of the One sitting on the throne.

Jesus is then worshiped as God, because he has all authority and power, represented by the details of verse 6. In fact all of creation worships Him and one of the greatest worship sessions recorded in the bible happens.

Remember I mentioned during the story of Y’hoshaphat that things changed in the new covenant regarding the execution of the judgements of God. This event is an example of that very thing.

Revelation 6:1-2

Next I watched as the Lamb broke the first of the seven seals, and I heard one of the four living beings say in a thundering voice, “Go!”

2 I looked, and there in front of me was a white horse; its rider had a bow and was given a crown; and he rode off as a conqueror to conquer.

What Jesus did in this verse is show us how to function in the right hand of God. I call it the Path of the Ruling. The right hand of God has the function of executing the will of the One on the throne, and any of the rulings of that throne. We are in Him and share in His authority and Name. Our - the Body of Christ, function is similar to His now. We also have the right and power to execute the rulings of the courts of heaven.

Notice that NOTHING HAPPENS UNTIL JESUS BREAKS A SEAL ON THE RULING of the court.

As soon as He begins the process of execution, all of the judgements of God are released and events start to unfold.
I am hoping that you see the raw power of this. The implications are astounding to realize that God wants to partner with you to this same extent. You are in Jesus on the earth. You carry His name among humanity. You have a function, and part of that function is to do what Jesus does.

In John 14:12 He told His disciples this:

John 14:12-13

12 Yes, indeed! I tell you that whoever trusts in me will also do the works I do! Indeed, he will do greater ones, because I am going to the Father. 13 In fact, whatever you ask for in my name, I will do; so that the Father may be glorified in the Son. 14 If you ask me for something in my name, I will do it.

The fact that Jesus has gone TO the Father is the reason why we can expect to do greater works that encompass not only the works that He did in the Gospels, but those that He accomplished in Revelations. In fact, I’ll go so far as to say that whatever He does in the book of Revelations would be done in partnership with someone or a group of people that are His followers on earth.

Here’s a couple more references for you, to show how warfare and justice are connected.

In Revelation 15 and 16, you see the seven golden bowls that are being released from the scroll that Jesus was executing. Look at what happened with one of the bowls being poured out:
Revelation 16:10

10 The fifth one poured out his bowl on the throne of the beast, and its kingdom grew dark. People gnawed on their tongues from the pain, 11 yet they cursed the God of heaven because of their pains and sores, and did not turn from their sinful deeds.

When this judgement was executed against the throne of the beast, any human person attached to that throne suffered terribly. This holds true today. When God judges something in the dark spirit world, any person attached to that thing will be impacted by their connection to it.

The connection of throne and kingdom also needs to be recognized here. The throne of God is the centre of His Kingdom. Any person attached to His throne enjoys the blessing of being connected to life.

The final end of lucifer...

Revelation 20:1-4a

Next I saw an angel coming down from heaven, who had the key to the Abyss and a great chain in his hand. 2 He seized the dragon, that ancient serpent, who is the Devil and Satan [the Adversary], and chained him up for a thousand years. 3 He threw him into the Abyss, locked it and sealed it over him; so that he could not deceive the nations any more until the thousand years were over. After that, he has to be set free for a little while.

4 Then I saw thrones, and those seated on them received authority to judge.

I wonder who this nameless angel is? Apparently this angel was given or is responsible for the key to the Abyss and packs a great chain. I have no
idea what his name might be, but have called him Leroy - the most unlikely angel to be selected to the ball team - Leroy. The guy who no one paid attention to, and quietly went about his work without fanfare or with being noticed. That’s the guy that God picks to lock up the enemy of all humanity. Leroy - the nameless angel.

Once the devil is locked up, a phenomenon happens... thrones are seen, and there are people sitting on those thrones who were given authority to judge.

Where did these thrones come from? Who are the people sitting on these thrones?

I have a theory: I think the people on these thrones were connected to the locking up of satan, the devil, the dragon, the ancient serpent. The fact that they were given authority to judge means that they did something to merit that type of promotion. I think they were the authority of God released on the earth to effect that event. It has not happened yet - but it will.

Maybe you, or I, or both of us will be found on those thrones to bring an end to the works of the devil.

Well, there you go.

I have shown you throughout the bible how justice and warfare are connected and how God will still use the same processes today, if we will only trust Him enough to act on what the bible is showing us to do.

Doing spiritual warfare the right way is doing the warfare legally through the courts of heaven, then going to battle.
Imagine your life without counter attacks and backlash. It is possible for you to enjoy this kind of existence, and to be extremely effective at bringing heaven to earth in your world.
